<b>Guidance:</b>	
------------------	--

This is a **SAMPLE** risk assessment and will remain so unless the following criteria are satisfied:

1. The boxes highlighted in grey above must be completed with the required details.
2. LCC no longer requires a Chair of Governors signature. Your own Educational Visits Policy might – therefore check.
3. The Ref number can be the EVOLVE visit number if this is for Educational Visits.
4. The signature boxes may be typed when uploading to EVOLVE.
5. The control measures identified below **MUST** be either complied with **or AMENDED** to reflect the establishment's control measures.
6. The initials of the person(s) responsible for implementing the control measures **MUST** be entered into 'Control Measures' column.
7. Once criteria 1-5 have been satisfied, you should remove the 'Sample' watermark. **FORMAT-BACKGROUND-PRINTED WATERMARK** and choose the option that says 'No Watermark' or 'Page Layout' – 'Watermark' – 'Remove Watermark'.

Hazard Observed	Who may be harmed?	Risk rating before controls Consequence x Likelihood =	Control Measures	Risk rating after controls Consequence x Likelihood =	Control measures by: Initial
<p>Those working in/ using office environments may be at risk of exposure to infected persons, surfaces and equipment, which has the potential of contracting and/ or passing on coronavirus</p>	<p>Staff Pupils Visitors</p>	<p>Substantial</p>	<ul style="list-style-type: none"> <li>• Put measures in place to restrict the number of persons in the office/ working environment at any one time in order to allow for adequate 2 metre social distancing</li> <li>• Physical contact should always be avoided and 2 metre social distancing guidelines to be adhered to</li> <li>• Office/ working environments to be well ventilated at all times (doors/ windows open where practical)</li> <li>• Ensure personal items (jackets, coats, bags, scarves etc) are stored separately from other colleagues to avoid cross contamination</li> <li>• Limit personal items being brought in from home to essential items only (item's such as lunch boxes, water bottles must be taken home and thoroughly cleaned each night</li> <li>• Avoid sharing office equipment/ stationary</li> <li>• All office equipment that must be shared e.g. laminator, photocopier, printer must be cleaned with anti-bacterial wipes before and after every use</li> <li>• Avoid use of office phone and use work mobiles as a preference, if office phone must be used then it should be cleaned with anti-bacterial wipes before and after every use</li> <li>• Adapt the workplace so that desks are not facing each other and to ensure 2 metre social distancing can be maintained at all times</li> <li>• Office/ working environments should be subject to regular routine cleaning (TLA cleaning staff/all of Cluster team)</li> <li>• Laptops and IT equipment to be regularly wiped down with anti-bacterial wipes/ Laptops/ IT equipment not to be shared with other colleagues</li> <li>• Mobile phones to be regularly wiped down with anti-bacterial wipes/ mobile phones not to be shared with other colleagues</li> <li>• Toilets and welfare facilities to be regularly cleaned by school cleaning staff throughout the day</li> <li>• Staff considered vulnerable due to medical needs/ pregnancy for example, should inform</li> </ul>	<p>Acceptable</p>	<p>GS/ LO</p>

			<p>their line manager as additional and specific risk assessments will be required</p> <ul style="list-style-type: none"> <li>Working from home/ flexible working requirements should be considered for all staff depending on their individual circumstances during the pandemic</li> <li>First aiders to be supported in their role due to new Covid19 measures in place. Additional and/ or refresher training to be considered</li> <li>If anyone using the office/ working environment develops symptoms of Covid-19 they must go home/ not come into the office, alert their line manager who will inform HR, take a test, isolate for 10 days (or whatever the Government guidance is at the time) and not return to work until they are fit to do so. Other colleagues do not need to isolate themselves unless they experience symptoms of Covid-19.</li> <li>Staff must adhere to all specific Government advice and guidance</li> </ul>		
<p>Personal hygiene - Inadequate personal hygiene standards pose a risk of contracting the infection and cross contamination via surfaces/ physical contact</p>	<p>Staff Pupils Visitors</p>	<p>Substantial</p>	<ul style="list-style-type: none"> <li>Avoid touching your eyes, nose and mouth as much as possible</li> <li>Tissues should be used to cough or sneeze into, tissues should then be disposed of into a lidded bin. If tissues are not available, then coughs and sneezes should be into the crook of your elbow – clothing should be replaced if this is the case</li> <li>Staff/ users of the office/ work environment should wash their hands frequently. Soap and water should be used as a preference for at least 20 seconds. If it is not possible to access soap and water, then an alcohol based hand sanitiser should be used</li> <li>Clothes should be changed and washed at the end of each working day or when possible contamination has occurred e.g. If someone has sneezed on you</li> <li>LFD testing and results submitted via RKL T online portal to be undertaken twice weekly</li> </ul>	<p>Acceptable</p>	<p>GS/ LO</p>

Hazard Observed	Who may be harmed?	Risk rating before controls Consequence x Likelihood =	Control Measures	Risk rating after controls Consequence x Likelihood =	Control measures by: Initial
Use of Personal Protective	Staff Pupils Visitors	Substantial	<ul style="list-style-type: none"> <li>Supplies of PPE are in stock or can be acquired readily in cases of shortage</li> </ul>	Acceptable	

Equipment (PPE) – Lack of proper use of PPE increases risk of transfer of the virus via cross contamination			<ul style="list-style-type: none"> <li>• Employees have ready access to PPE and aware of how to use it</li> <li>• Please note change in Government guidance around face coverings to be worn in school communal areas</li> </ul>		GS/ LO
Accessing and leaving the building/ office/ work environment - Potential risk of transfer of the virus via cross contamination	Staff Pupils Visitors	Substantial	<ul style="list-style-type: none"> <li>• Adhere to all TLA Covid-19 policies, procedures and risk assessments whilst arriving, leaving and moving around the building</li> <li>• Please note change in Government guidance around face coverings to be worn in school communal areas</li> </ul>	Acceptable	GS/ LO
Visitors and contractors - Potential risk of transfer of the virus via cross contamination	Staff Pupils Visitors	Substantial	<ul style="list-style-type: none"> <li>• Adhere to all TLA Covid-19 policies, procedures and risk assessments in regards to visitors and contractors</li> <li>• COVID-19 health screening should be undertaken before meeting face to face with any children or families</li> <li>• Contacts sheet should be completed to assist with contact tracing</li> </ul>	Acceptable	GS/ LO
Passenger lifts - Potential risk of transfer of the virus via cross contamination	Staff Pupils Visitors	Substantial	<ul style="list-style-type: none"> <li>• Lifts should be subject to regular routine cleaning by TLA cleaning staff</li> <li>• Staff/ visitors should be encouraged to use stairs wherever possible</li> <li>• Hands should be washed before and after use</li> <li>• Users should face away from each other or use a face mask</li> </ul>	Acceptable	GS/ LO
Communal food and drink preparation areas – Potential risk of transfer of the virus via cross contamination	Staff Pupils Visitors	Substantial	<ul style="list-style-type: none"> <li>• When food and drinks are being prepared ensure that good hygiene standards are maintained</li> <li>• Where spills of food or liquids occur, users must ensure that the work surfaces are left in a clean and sanitised condition</li> <li>• Only use own drinking mugs/ glasses to prevent cross contamination</li> <li>• Do not place hands directly into food/ waste bins as there may be contaminated waste/ tissues inside</li> <li>• Users of preparation areas are to wash their hands before and after use</li> </ul>	Acceptable	

			<ul style="list-style-type: none"> <li>• Blue tissues should be used for drying rather than tea towels. If there is no alternative to tea towels then they must be replaced on a daily basis</li> <li>• Half eaten food products should be placed in a sealed wrapper, bag or container if being stored in the communal fridge</li> <li>• The microwave should be cleaned before and after every use</li> <li>• The fridge should be cleaned weekly</li> <li>• Cutlery and crockery must be thoroughly washed after each use and not left on work surfaces</li> <li>• Hands must be washed as soon as possible after eating and before returning to work stations</li> <li>• Areas where food is consumed should be wiped down before and after use with anti-bacterial wipes. Hands should be washed before consumption of food and anti-bacterial gel used before and after eating.</li> </ul>		GS/ LO
