

## Are you looking for part time work that fits around school time hours?

Leeds City Council are currently recruiting **Customer Service Officers** on 10am – 2pm shifts

Our Contact Centre plays a vital role in helping the council to achieve its ambition to be the best city in the UK by providing a first-class telephone service to people in Leeds who need to access council services.

**If you're passionate about delivering exceptional customer service and have excellent communication skills, we'd love to hear from you.**

### We offer a competitive package, including;

- A salary ranging from £20,444 - £22,571 (pro- rata)
- Shift patterns that work around school hours
- Excellent training, coaching and ongoing development
- A generous annual leave entitlement
- The opportunity to work from home and office
- Access to the local government pension scheme

If you're interested in the role, you can **apply here** or email your name and contact telephone number to **ContactCentreRecruitment@leeds.gov.uk** and we will call you back for an informal chat.
