If you are using your mobile phone or an iPad to book events, you can access the 'Child and Young People' section by clicking on the three lines in the top left hand corner. You can click on the event titles to find out more about each event. When you see an activity you want to book, click on the event and then on the 'Book Now' icon to add it to your basket. You will need to select which members of your family will be attending the event by clicking on the drop down and selecting children and/or parents/carers. Then click 'Submit'. Alternatively, if you would struggle to pay the full cost due to your financial circumstances please select 'Apply for help with payment' and then to finalise your booking you will need to click on 'Place Order'. You may need to scroll to the bottom of your computer/phone screen to see this button. We ask that you make a smaller donation of your choice towards the cost of the activity. This can either be done via our Local Giving page (<https://localgiving.org/charity/tncp/>) or you can bring a cash donation on the day of the event.
