

# **Volunteers Needed!**

## **Bingo and Butty Club Support Workers**

We are currently recruiting for support within the Bingo and Butty Club

The club runs every Friday morning from 9 to 10am at

Meadowfield Children's Centre, Community Room

The club has been running for over 15 years with support from Meadowfield Primary,  
the Cluster Team, and the Children's Centre

Please help us to keep this group running! There's a free butty in it for you!

### Volunteering can help you:

Meet new people, provide training and qualifications, learn new skills, gain work experience, help you get back into work, make a difference within your community, enhance your CV, and develop personally and socially
